

A Word for Today

Don't limit what God can do in your life by focusing only on what you see in the natural realm. You have to realize that you serve a supernatural God, and just because you don't see a way doesn't mean that God doesn't have a way. God can bring one opportunity across your path that will thrust you to a whole new level. He has explosive blessings in store that can blast you out of where you are and into a place of abundance. If you'll shift your focus from this earthly realm and start looking at God's supernatural realm, you'll see His unlimited possibilities for your future. Take the limits off by setting your thoughts on what He can do in your life today!

A Prayer For Today

Father in heaven, today I lift my eyes up to You. You alone are the source of my strength, peace and provision. I choose to delight myself in You knowing that you will give me the desires of my heart. In Jesus' Name. Amen

Bill Winston's morning confession...

Father I believe and thank you that the favor of God surrounds me like a shield (Psalm 5:11).

It produces supernatural increase, promotion, restoration, honor, increased assets, greater victories, recognition, prominence, preferential treatment, a petition granted, polices & rules changes, battles won that I don't have to fight...

"For By Thy Words Shall Thou Be Justified..."

Health- Prosperity- Joy- Peace- Favor

In the Name of Jesus, I declare for this day that Jesus is Lord of my life and I believe He is alive from the dead. Therefore, I Am Saved!! Because I am saved, I am also redeemed. Christ has redeemed me from the curse of the law by being made a curse for me. I'm redeemed from poverty, sickness, and spiritual death.

For poverty, God has given me wealth. So, I declare that all my needs are met; I am out of debt, and I have so much more to put in store. I have given and it is given unto me good measure, pressed down, shaken together and running over will men give into my bosom today. I expect for money to come my way in abundance, because my God promised to pour out a blessing to me that I would not have room to receive. Therefore, ministering angels go forth today and bring to me a return on my seed sown that is ready to be harvested. **GLORY BE TO GOD FOREVER!!**

For sickness, God has given me health. So I declare that my body is consistently well from the crown of my head to the soles of my feet. I Peter 2:24 says, "by whose stripes ye were healed." Since I was healed, I am healed. Therefore body, you must line up with the Word of God. Every organ, every fiber, and every tissue of my body functions in the perfection to which God created it to function. Every disease germ and every virus that touches my body dies instantly in the Name of Jesus. My immune system is strong and healthy, fighting off every foreign invader. To aid in my health, I eat correctly, avoiding those things that knowingly damage the body. And I trust in God's grace for any mistakes made in ignorance. Unless the rapture happens first, I will live to be at least 120 years of age, free from sickness and disease. For God said, "with long life will I satisfy you and show you my salvation."

GLORY BE TO GOD FOREVER!!

For spiritual death, God has given me eternal life. I will never be separated from God. When I leave this body, I will be immediately with God. For to be absent from the body is to be present with the Lord. I am His. He is mine. We are one together. He has given me joy unspeakable and full of glory. So, I refuse to be depressed or discouraged about anything. He has given me peace that passes all understanding. So, I refuse to worry or be concerned about anything. I simply roll the care on God. I do my best and then I rest. He has crowned me with favor for this day. So, I declare I am favored by God. I have favor with God and man. People do great things for me daily. Everywhere that I go, favor goes before me; follows me; and surrounds me. My family walks in the blessings of God. No weapon formed against us will prosper this day. The blood of Jesus is upon us and upon our possessions for covenant protection this day. The angels of God are encamped round about us to see to it that no harm or danger will come near us in any way. We are blessed in the city and blessed in the field. Blessed in the basket and blessed in the store. Blessed coming in and blessed going out. We are the head and not the tail. Above ONLY and NEVER beneath. We love and serve the Lord with all of our mind, heart and soul and nothing shall separate us from His love. This is a good day!! One that I've never seen before. One that I'll never see again. So I'll give God, my family, and my ministry my BEST today.

GLORY BE TO GOD FOREVER!!
